TRADEWINDS

*Explore. Dream. Discover.*

# TRADEWINDS

I clearly recall the first cruising experiences we offered. Back then, we only had one boat and one destination but we also had a very strong desire, a dream to fulfill and that was to create the world's first and finest Private Members Club on luxury catamarans.

Even in the earliest days, we had a clear vision of what we wanted to offer our Members: the opportunity to take part in the experience of a luxury crewed catamaran charter and also to create something genuinely different; a "once in a lifetime" experience for the fortunate few. An experience our Members would come back to and enjoy year after year. Something to make you feel clearly... Alive!

We decided to make luxury, all-inclusive sailing cruises accessible and affordable. We wanted to offer our Members real flexibility and a superior annual cruising event. We knew we were on the right track when our guest books started to fill up with comments which so often included the sentence "Our best vacation, ever".

Today that dream has become reality. TradeWinds has established itself as the Caribbean's fastest growing Crewed Yacht Charter Company, and our Private Members Club now has more than 5,000 Members. We offer both traditional private as well as shared charters, where guests and Members book only the cabin space that they need.

Since the inception of TradeWinds in 1999, a new cruising location has been added just about each year, and we now cover almost the entire Caribbean area, with additional bases in Europe, Central America and the South Pacific Region.

As the fleet of catamarans has grown, we have also upgraded the quality and increased the size of our boats. The TradeWinds fleet now comprises of three classes of catamarans constructed by our renowned French Yacht builder partner:

- The Flagship Class TradeWinds 70
- The Luxury Class TradeWinds 60
- The Cruising Class TradeWinds 52

As we continue to expand the Club's horizons with new and exciting destinations in the Caribbean region and in even more exotic, far-away islands and spectacular coastlines, we wish to invite you to experience the fantastic world of TradeWinds as an owner!
